1	Launch the application.	Open the application.	

	Description	Action	Result Screen Graphic
2	Login.	Login using username 1, password 1.	 <p>The screenshot shows a mobile application interface titled "Price Check". At the top, there is a status bar with a signal strength icon, a Wi-Fi icon, and the time 9:04. Below the title bar, the text "SKU" is displayed above a text input field containing the placeholder text "SKU". A yellow button labeled "Lookup" is positioned below the input field. At the bottom of the screen, a numeric keypad is visible, featuring digits 1-9, 0, a decimal point, and a "Done" button.</p>
3	Enter an item.	Type an item number in the SKU field or scan an item.	 <p>The screenshot shows the same "Price Check" application interface. The status bar at the top displays the time 9:04. The "SKU" label is above a text input field that now contains the value "21001". The yellow "Lookup" button remains below the input field. The numeric keypad at the bottom is identical to the previous screenshot, with a "Done" button.</p>
